

SHAPING MEMORIES

WRITING/TEACHING WORKSHOP REGISTRATION

“Shaping Memories” is open to all levels of writing, both fiction and creative nonfiction. Creativity belongs to everyone. Whether you have a partial draft, or bits and scraps of an idea, this class is designed to help you dive deeper and unravel the truth of your piece. We will meet in an intimate setting and hone in on character development, plot and story structure. With writing exercises, accountability checks, and the support of fellow writers, we will get the story from your head and onto the page. Bring a pen, paper and an open heart.
